

8. Selecting Screen options Selecting Full Screen covers your entire desktop.

x SelectArea allows you to manually pull the frame around your document, webpage, or slide.

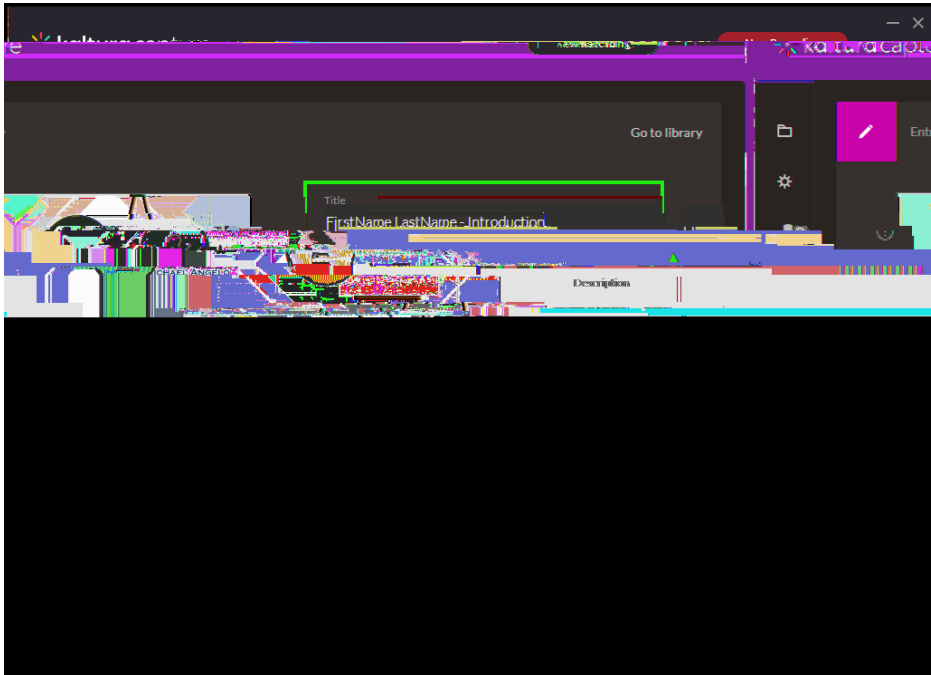

x

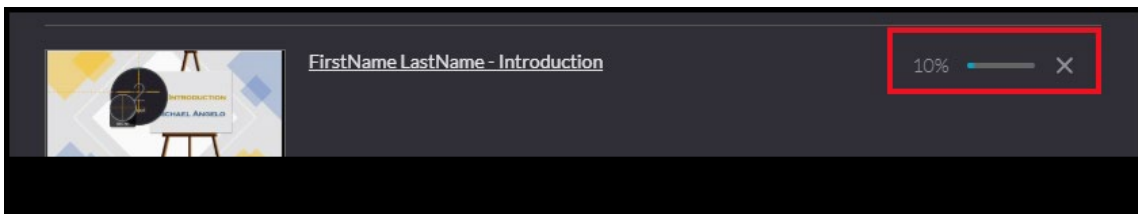

11. A window pops up, to affirm you want to stop the recording. Click the button, “Yes, Stop It.”

12. After stopping recording, you will see a window of your Kaltura Captures located on your local computer. Type in your first and last name then, click Save & Upload.

13. The Save and upload process will show various stages, Pending, 100%, with a message that the recording has been successfully uploaded to your media.

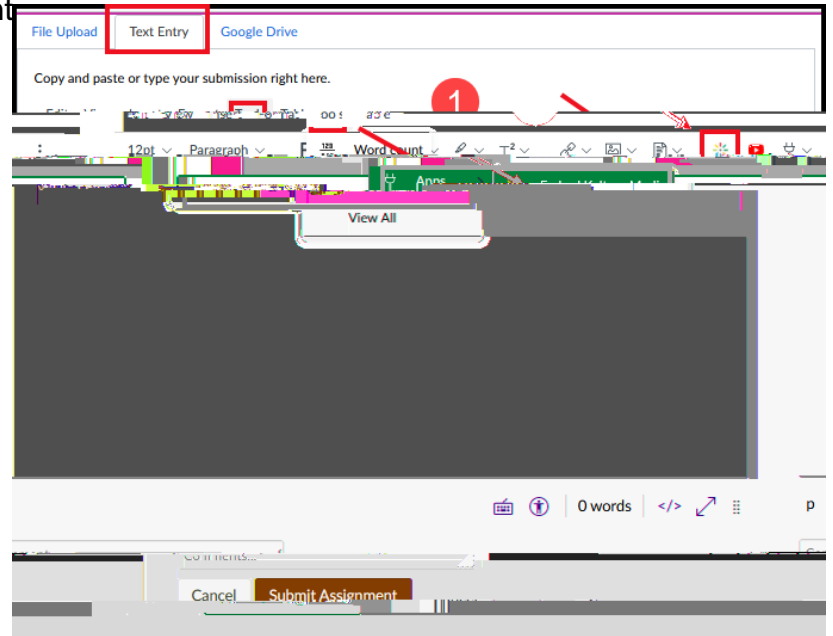

14. This window shows your personal Kaltura space on your local computer. After recording a video, Kaltura stores a local copy of all your recordings on your device. You may click the folder to see all previous recordings in within your Kaltura Library. You can re-upload any video from your Kaltura Library.

Submitting a Kaltura video in an Assignment:

1. Navigate to your Canvas Assignment
Click the green button START Assignment

- x Using the Text Entry tab, you will locate the Kaltura App from the Tools/App and find the Kaltura App from the menu.
- x Or click the bottom row of the Rich Content Editor and click the starburst icon (Embed Kaltura Media) tool.

2. This will take you to your My Media repository, where you can click the Embed button to add video.
